21 May 2008
London

Partnership opportunities

The Wireless Broadband Innovation Awards are a highly targeted marketing opportunity, offering you branding and business development with an audience of **CEOs** and **CIOs** of the wireless broadband industry.

Some benefits of sponsorship are e.g. **VIP Seats** for 10 people at the awards ceremony, the presentation of individual award and advertising in the awards programme and website. A small number of award sponsorship opportunities remain - **reserve today** using the form below.
